Assalam Alikum

Khoja Shia Ithna Ashari Jamaat Melbourne continues to work on the grass root level in establishing a community and providing an ecosystem of activities for the different strands in our community. We believe a community is created by a group of people working together for the betterment of the society and to increase the engagement of community members as both the beneficiary and administrator of various events. Therefore, the focus of Jamaat is to first focus on promoting much needed bonding events and social platform to bring the community together and establishing services. With the COVID-19 and lockdown situation in Melbourne this enabled the Jamaat to switch its services and programs from physical to online platforms and cater to the needs of our young community.

We congratulate the entire community on the Wiladat of Rasool-e-Khuda Khatimul Nabieen Prophet Muhammad (s.a.w.w). The Jamaat continues to receive great feedback from the community for focusing on establishing a strong foundation for current and future generation to benefit. We highly encourage members to come forward in strengthening the Management committee in delivering these projects.

Fazeelat of Tasbeeh of Bibi Fatima Zahra (s.a.)

The Tasbeeh of Bibi Fatima Zahra (s.a.) is from the emphatically recommended acts of worship in the Islamic Shariat. It has immense significance in the eyes of the infallible Imams (a.s.) and the Shiite jurists. It is a simple act of worship from the aspect of performance; however, its effect, reward and merit are abundant. This can be gauged from the fact that when the Holy Prophet (s.a.w.w.) wished to impart this act of worship to his daughter Janabe Zahra(s.a.), he declared, 'O Fatima! I have granted you something that is superior to a maidservant and to the world and everything in it.' (Aasaar o Asraare Tasbeehe Zahra (s.a.) , Pg. 7)

In this context Imam Muhammad Baqir (a.s.) informs, 'Allah is not worshipped by anything more meritorious than the Tasbeeh of Fatima Zahra(s.a.).
